

Test report **CinemaHouse**

The best AV speaker set **Avantek CinemaHouse**

JAPAN: Swing Journal, no 12 2001

"Avantek Cinemahouse awarded 'The best AV speaker set' by the Swing Journal.

Avanti Avantek! **Avantek OneHouse and Sub+**

GERMANY: HEIMKINO" 4-5/2001

Conclusion: In this system, all fits together: outside appearance, workmanship, and, of course, the sound quality. In case you also own an adequate screen or monitor, you will have unlimited fun with your home theatre. Also, there will be some money left for a good movie on DVD!

Price / performance relationship: outstanding HEIMKINO

Test Result: Upper Class, very good (Mark 1,3)

Audio Pro Avantek CinemaHouse

SWEDEN: HiFi & Musik, juli 2001

"With sub+ connected, this system has both depth and a vigorous bass, making this small Avantek system to a dynamic power package."
